

# Occhio

## colors by Occhio – Light as an Expression of Personality

**With *colors by Occhio*, the Munich-based design company presents its first capsule collection and expands its portfolio with a distinctive world of color that unites design, innovation, and individuality. The new surfaces create deliberate accents within a space and turn light into a personal statement.**

With *colors by Occhio*, light becomes a stage for individual personality. The new colored finishes open up a new dimension of design and blend harmoniously into modern interior styles. From a soft shimmer in sabbia – an elegant, warm sand tone used as a subtle accent – to the expressive rosso, an intense red that makes a powerful statement: *colors by Occhio* give luminaires character and interiors emotional depth.

### **colors by Occhio I selection**

The six new, carefully curated colors reflect current interior trends and expand Occhio's creative spectrum. Starting in March 2026, they will be available through specialist retailers for selected luminaires from the Mito, Gioia, and Sento series. Each luminaire is individually made to order and meets the highest standards of design and quality.

### **colors by Occhio I extension**

For project business, the color palette is complemented by twelve additional finishes. These *extension colors* are available for selected luminaires and can be ordered with a minimum quantity of ten units – offering maximum creative freedom for sophisticated projects.

### **Color in Its Highest Brilliance**

All *colors by Occhio* luminaires are refined using an elaborate wet-paint process. The result is exceptional color depth, a flawless surface, and a distinctive look. Finely balanced metallic particles in the coating create vibrant reflections and remarkable brilliance.

With *colors by Occhio*, Occhio's first capsule collection, light becomes an attitude. An emotion. A personal statement. A tribute to individuality and the limitless possibilities of design.

*colors by Occhio* will be available to order from March 2026 for selected pendant and mobile luminaires from the Mito, Gioia, and Sento series.
